

# Door Options

## ServerSmart Cab/Smart Cab Door Options

In addition to vented framed glass, steel and Maxi Vent perforated doors the following options are also available:

### ■ Smart Vertically Split Doors

Wardrobe style with two opening doors available as:

- Maxi-Vent perforated doors
- Vented frame steel doors

Available in two widths 700mm and 800mm.

Avoids gangway obstruction as doors are half width and provide 180° opening when bayed and 270° opening as stand alone and at end of bay.

### ■ Horizontally Split Doors

Doors are available split horizontally allowing two to four doors at front and/or rear.

**Contact the Cannon sales office for details**

### ■ Short Rear Doors Kits

Ideal for cabinets which require cabling access from the rear, on solid floors particularly where cabling access via the floor is restricted. Allows large cable entry - minimum 3U (Requires adaption kit).

**Contact the Cannon sales office for details**
