

## VERTICAL AISLE COCOONING

- For efficient down-flow cooling airflow or up-flow exhausted hot air.
- Provides segregation of cold and hot air flow to maximise cooling efficiency in vertical airflow configurations.
- Compatible with CANNON Cable Raceway.
- Achieves cost effective cabling containment and air flow containment in one integrated system.
- Variable height Cocooning containment panels/chimneys to accommodate various room heights

Cannon rack mounted Cable Raceway can be combined with Cocooning Chimney installations.

**For further details on Aisle Cocooning please contact the Cannon SalesTeam.**
